Work Experience

Co-Owner / Frontend Developer

The Studio Klein
July 2020 - Present

- Enhanced conversion and user experience through collaboration with designers to implement more enhanced and easy to navigate websites
- Increased traffic, page ranking, and loading times by improving website structure and Search Engine Optimization (SEO) improvements
- Implemented a diverse range of Shopify Apps tailored to each specific merchants needs including subscriptions, email marketing, bundling, live chat, and bulk editing
- Communicated projected goals and scope between clients, designers, marketers, other strategists, as well as support when needed
- Evaluated and developed technical solutions and recommended the most efficient and cost-effective solution as per merchants needs
- Oversaw migration of e-commerce stores from Wix and Squarespace to Shopify
- Collaborated with developers and designers on releasing a design and development for Shopify Udemy course

Web Development Teaching Assistant

BrainStation
June 2019 - April 2020

- Led students to success by pointing out flawed logic in projects and helping focus them in technical areas not covered in class
- Mentoring students of best practices in code organization and helping them refactor inefficient code
- Facilitated discussions and addressed student queries through pod sessions, and in daily open studios
- Created and facilitated mini code-alongs to reinforce concepts introduced in class
- Marked students' weekly assignments and provided valuable feedback
- Created daily challenges and white-boarding questions to assist with learning and understanding the current week's topic

Fund Accountant

CIBC Mellon
April 2018 - March 2019

- Ensured accuracy of a fund's trades, cash transactions, corporate actions, and verified correct pricing securities to properly calculate the value of the fund portfolio
- Audited the work performed by other team members for the department to ensure accuracy and compliance with department and client instructions
- Calculated daily income accruals, expenses, interest, and dividend payments and ensured proper postings to the fund portfolio and analyzed daily changes in compliance with client exception tolerances
- Prepared daily and monthly distribution reports for clients as well as reinvestment calculations for distributions

Projects
